

**Evaluation criteria for admission to  
PhD Program in  
Ingegneria per la Progettazione e Produzione Industriale  
(XXXVIII Cycle)**

Qualifications, project, oral exam will be evaluated according to the following evaluation grid:

1. Qualifications (max 20 points)

1.1 Graduation mark (master's, specialist or single cycle - max 5 points). If indicated with other parameters evaluated proportionally

<b>Grade</b>	<b>Points</b>
110, 110 e lode	5
109	4
108	3
105 -107	2
103 -100	1
<100	0

1.2 Publications (max 10 points)

<b>Descrizione</b>	<b>Punti</b>
Publication ISI (1st author)	5
Publication ISI (co-author)	3
Book or Book chapter (single author)	3
Book or Book chapter (co-author)	2
Conference	1

**2. Progetto (max 30 punti)**

For the purposes of the selection for the research doctorate, the candidate must submit a project that can assess the propensity for research and his ability to independently organize the different phases of the project itself, which must not exceed the maximum length of 8000 characters (spaces included). This project, presented for the sole purpose of competitive selection, does not constitute an obligation for candidates admitted to carry out the described research activity during the course of the doctorate. In particular, the following will be evaluated:

- Knowledge of the state of the art (5 points)
- Originality and innovative content (5 points)
- Clarity and completeness of the presentation of the objectives, methodologies and potential results (5 points)
- Project feasibility (5 points)

- Relevance of the project with the educational objectives of the doctorate (10 points)

#### **4. Oral exam (max 50 points)**

Candidates who, in the evaluation of qualifications and of the project, have achieved the overall mark of at least 30/100 are admitted to the oral exam. During the oral exam, aspects concerning the topics of general interest of the doctorate, the qualifications presented and the project will be investigated and clarified. The scores will be distributed as follows:

- Knowledge of topics of general interest in the doctorate (15 points);
- Discussion of the topics related to the research project (20 points);
- Discussion of the project and the candidate's qualifications: clarity of presentation, ability to summarize and evaluate the curriculum (12 points);
- foreign language (3 points). The test is passed with a minimum score of 30/100.

**The overall minimum score for admission to the research doctorate is 60/100.**
